Overview – the key information you should be aware of

(A) Who we are)

MyCorridor is a research project funded by the European Commission as part of its Horizon 2020 initiative, researching facilitated, sustainable travel, across European borders, based on the principles of Mobility as a Service (MaaS). The research partners within the MyCorridor consortium, listed in section 13.1 (the MyCorridor Research Partners"),re conducting research pilots ("Pilots") to trial the mobile application developed as part of the MyCorridor research project, with the aim of providing a mobile, one-stop ticket shop, to facilitate cross-border MaaS travel (the App) The MyCorridor Research Partners promote dthe MyCorridor research project, and carry out wider research into MaaS with volunteers, through the use of
