Step 8

MaaS on the Go - Navigation

Following the path: Profile, Select My trips 1

Click on the chosen Pending or Expired car, walk or bike trip 2

See route details and tokens and start navigation for chosen car, walk or bike leg by clicking on orange icon 3

Navigate safely 4

In your destination press Stop button 5

My CORRIDOR

11

The screenshots show the app's interface. The first screen shows the main menu with 'My trips', 'My favourites', and 'My packs'. The second screen shows the 'My Trips' list with a selected trip. The third screen shows the route details for the selected trip, including a car icon and an orange navigation icon. The fourth screen shows the navigation map with a blue line indicating the route. The fifth screen shows the final destination map with a red 'Stop' button.

Step 9

Payment and Mobility Tokens

After having selected Services and Products (while in MaaS on the GO), you can view a Summary of your choices

1

Click PROCEED to add payment details*

2

The screenshot shows the 'Payment' screen with a teal header containing a back arrow and the word 'Summary'. Below the header is a blue Visa card with the number 4242 4242 4242 4242, the text 'CARD HOLDER ----', and 'EXPIRY 04/22'. Below the card is a red 'Pay now' button.

The screenshot shows the 'Route Detail' screen with a teal header containing a back arrow and the word 'Summary'. Below the header, it lists three routes: 'Hlavní nádraží → Florenc', 'Florenc → Černý Most', and 'Praha [CZ], Černý Most → Jablonec n.Nisou, aut.nádr.'. The third route is highlighted in blue and includes details: 'AMSBUS 4.13 €', 'CSAD SVT Praha s.r.o.', 'Bus by BusLine LK', and 'Praha [CZ], Černý Most → Jablonec n.Nisou [CZ], aut.nádr.' with a 4-star rating. At the bottom, it shows 'Total amount: 4.13 €' and a red 'Proceed' button.

Add Payment details and click PAY NOW

3

After passing 3D Secure verification you will receive invoice and mobility tokens.

4

* Payment is functional for a number of connected services but not for all at the moment
